## **NATIONAL DAY OF APPRECIATION FOR ABORTION PROVIDERS**

*we recognize you for your perseverance, courage, and commitment  
to making reproductive choice a reality for women in this country.*

*We thank you for providing essential health services to women;  
for enabling women to assert control over their lives;  
for coming to work each morning in the face of unrelenting harassment;  
and for proceeding with valor even as acts of violence  
have been threatened or committed against you  
and your colleagues across this nation.*

**WITHOUT ABORTION PROVIDERS LIKE YOU,  
THERE IS NO CHOICE.**
